PROFESSIONAL EXPERIENCE

IT Asset Management & Business Process Owner
Jun 2025 – Feb 2026

PT Bina Sarana Sukses

- Managed operational lifecycle of 4,000+ enterprise IT devices across procurement, deployment, and maintenance.
- Coordinated end-to-end procurement workflows across SAP (PR/PO/GR) and internal Asset Management System, reducing data discrepancies between systems.
- Performed device quality control and deployment monitoring to ensure operational readiness.
- Developed and maintained asset tracking documentation and SOPs to support audit readiness and operational compliance.
- Collaborated with finance, logistics, and IT teams to maintain accurate asset and operational data.

IT Technical Support Helpdesk
Aug 2022 – Dec 2024

PT Global Digital Niaga (Blibli)

- Handled 30+ enterprise IT support tickets daily via OTRS ticketing system.
- Maintained 95%+ incident resolution rate, minimizing operational downtime.
- Delivered L1/L2 troubleshooting for 500+ users across enterprise applications, hardware, and network infrastructure, consistently meeting SLA targets.
- Documented recurring issues and resolutions in the ticketing system to build a knowledge base and reduce average resolution time.
- Coordinated with infrastructure teams to ensure stable IT services across departments.

IT Support & Development Staff
Nov 2020 – Jul 2022

PT Sunindo Kookmin Best Finance

- Supported enterprise IT infrastructure including Active Directory, shared folders, printers, and LAN systems.
- Managed user provisioning for 200+ employees via Active Directory.
- Designed and executed SQL queries to generate weekly operational reports for management, supporting data-driven decision-making across departments.
- Installed and configured hardware, software, and network devices.
