WORK EXPERIENCE

PT Bina Sarana Sukses (BSS)

Jakarta, Indonesia

IT Operations Staff

Jun 2025 – Feb 2026

- Served as the Business Process Owner for the Asset Management System (AMS), overseeing the end-to-end IT procurement lifecycle and monitoring the status of PR, PO, and GR within SAP.
- Managed and reconciled 4,000+ IT assets, maintaining 100% synchronization between the Asset Management System (AMS) and physical inventory across multiple locations.
- Performed quality control and asset registration on incoming hardware, ensuring procurement compliance before distribution to end users.
- Resolved daily hardware, software, and network support requests, minimizing operational disruptions across office locations.

PT Global Digital Niaga (Blibli)

Jakarta, Indonesia

IT Technical Support Helpdesk

Aug 2022 – Dec 2024

- Resolved 30+ IT support tickets daily while consistently maintaining a 95%+ first-level resolution rate for over 500 enterprise users.
- Delivered L1/L2 technical support for enterprise applications, hardware, operating systems, and network connectivity issues.
- Developed standardized knowledge base documentation and OTRS resolution templates, improving troubleshooting consistency and team efficiency.
- Collaborated with infrastructure teams through structured escalations, ensuring zero critical incidents were overlooked during handoffs.

PT Sunindo Kookmin Best Finance

Jakarta, Indonesia

IT Support & Development Staff

Nov 2020 – Jul 2022

- Administered Active Directory for 200+ employees, managing user provisioning, access permissions, password resets, and account lifecycle.
- Automated weekly operational reports using SQL, reducing manual processing time from hours to seconds.
- Maintained shared drives, printers, and LAN infrastructure to ensure uninterrupted business operations.
- Configured hardware, software, and network environments for new employee onboarding and company-wide device refresh programs.

EDUCATION

Universitas Negeri Jakarta

Jakarta, Indonesia

Bachelor of Electrical Engineering (S1 Teknik Elektro) | GPA: 3.41 / 4.00
