WORK EXPERIENCE

PT Bina Sarana Sukses (BSS)

IT Operations Staff

Jakarta, Indonesia
Jun 2025 – Feb 2026

- Managed and reconciled 4,000+ IT assets, maintaining 100% data synchronization between the Asset Management System (AMS) and physical inventory across multiple sites.
- Executed end-to-end procurement using SAP (PR/PO/GR), coordinating request validation, management approval, and logistics handoff.
- Performed quality control and asset registration on incoming hardware, verifying compliance against Purchase Orders prior to deployment.
- Resolved daily hardware, software, and network support tickets across all office locations.

PT Global Digital Niaga (Blibli)

IT Technical Support Helpdesk

Jakarta, Indonesia
Aug 2022 – Dec 2024

- Handled 30+ daily IT tickets via OTRS, consistently achieving a 95%+ resolution rate for 500+ enterprise users.
- Delivered L1/L2 technical support, troubleshooting enterprise applications, hardware malfunctions, and unplanned network outages.
- Built a structured knowledge base and resolution templates within OTRS, standardizing troubleshooting and improving team scalability.
- Streamlined escalation handover to the infrastructure team, ensuring zero critical issues were missed during cross-functional handoffs.

PT Sunindo Kookmin Best Finance

IT Support & Development Staff

Jakarta, Indonesia
Nov 2020 – Jul 2022

- Administered Active Directory for 200+ employees, managing account provisioning, access control, and profile updates.
- Automated weekly operational reporting using SQL queries, reducing manual processing time from hours to seconds.
- Maintained core IT infrastructure (shared drives, printers, LAN connectivity) to support uninterrupted daily operations.
- Executed full hardware/software/network setup for new employee onboarding and hardware refresh programs.

EDUCATION

Universitas Negeri Jakarta

Bachelor of Electrical Engineering (S1 Teknik Elektro) | GPA: 3.41 / 4.00

Jakarta, Indonesia
